Innovation leads the way.
Possibilities unfold with every moment. Movement, life and experiences are transformed by design, intelligence and innovation. At Audi, the focus on excellence sets the standard for what lies ahead.

Turn time into possibilities.
Time is a constant of life. Our goal for the Audi A6 is to enhance time and tailor it to the challenges of life today. That's why we offer the Audi A6 with groundbreaking technology – from smart assist systems to an innovative display and operating concept. You choose the focus. Experience a more comfortable and relaxed drive. And open up possibilities for the things that really matter.

Design that makes time stop.
The striking design of the Audi A6 not only catches the eye, but also stops time in its tracks. Its powerful stance and upright singleframe serve to highlight its athletic lines. A low centre of gravity and the striking quattro architecture at the wheel arches prove that the Audi A6 has the genes of a timeless legend.

Enjoy the moment. No matter where you are.

Noticeably more possibilities.
More functions, fewer buttons: the MMI Navigation Plus with MMI touch response allows you to control many features of your Audi A6 intuitively via a high-resolution 25.6 cm HD touch display. As easy to operate as your smartphone. And with haptic feedback confirming each selection, you can safely use the system even while driving.

Take your time.

Make time for yourself.
Return to yourself. Just like the Audi A6, impressive design that recalls Audi quattro architecture, recognisable by the deep, sporty shoulder line and the flared wheel arches. The upright and wide singleframe gives the Audi A6 the progressive dynamics quintessential of an Audi.

The design over the wheel arches gives the side of the Audi A6 the look of flexing its muscles. The sporty roof line accentuates the coupe-like silhouette.

Alloy Wheels

5-arm style, 8.0J x 18 Alloy Wheels complement the car seamlessly.

Adorned with the 5-double-spoke style, graphite grey, diamond turned Alloy Wheels, 8.5J x 19, model-specific, tyres, your Audi A6 is sure to look like a beauty in motion.*

All features marked () are only available in the Technology Variant. Image for representation purpose only.

This is where you make up time.
Tailor your driving time to your expectations. With the Audi MMI Navigation Plus, you can choose what driving information is displayed on the high-resolution 25.6 cm HD touch display or in the 31.2 cm HD Audi Virtual Cockpit Plus. Haptic feedback on the touchscreens confirms each selection and gives you a quick and intuitive way of operating all functions. A faster way to reach your destination – or perhaps discover something even better. You choose how to spend your time.

A space to breathe.
Turn the air in your Audi into a clear proposition with the 4-zone air conditioner with Air Ionizer and Aromatization by means of Air Quality Sensor with dust and odour separating allergen filter.

Change the times. And the possibilities.

An eye for the moment.
Every day there are certain decisive moments. For example, when you arrive back home. Make the journey back home a unique moment with the colour ambient lighting package that bathes your interior in one of the 30 colours.

Get more out of the day.
The Matrix LED headlights offer you outstanding illumination of the road at night. Thanks to the fully variable light control, you will enjoy cornering light and automatic dimming for oncoming traffic. Dynamic indicators and daytime running lights provide an innovative visual highlight.

Forget about time.

Audi intelligent technologies.

Using more moments.

The Audi A6 – an exceptional vehicle whose diverse range of outstanding equipment will impress you. Numerous innovations, comfort and convenience features, such as the 360 degree cameras with Park Assist Plus, Soft door closure and other assist systems, make each journey special.
